PROJECTS

Hamro nepal webpage

"Hamro Nepal" is a visually engaging web page I developed using HTML and CSS. It highlights Nepal's culture and beauty with interactive elements and responsive design, showcasing my skills in front-end development.

Expense and budget manager

The Expense and Budget Manager project was developed collaboratively as a team effort, showcasing my ability to work effectively in a group to create a comprehensive financial management solution using HTML, CSS, PHP, Bootstrap, MySQL database, and JSON.
